

RTO 32074

Restricted Gas Service License Training Course (9 days) 1 day every 2 weeks

Are you looking to increase your knowledge and expand your experience?

Are you servicing gas equipment ?

Do you want to earn more money?

The BIZMATRIX Gas Service work license restricted to service course is designed through real life experiences. It is designed to offer training on gas/electrical service and maintenance of Domestic and commercial appliances.

The course is open to trades persons with existing licenses, qualifications and or experience with Electrical, Mechanical, electronics, metal work, refrigeration and or Air-conditioning. Where there is a need to work on gas Type A appliances.

The course is designed and approved course which is Nationally Recognized to be delivered by Bizmatrix a Registered Training Organization RTO 32074

The courses are designed using the National Training Service Information Unit; Service and the correct servicing techniques of Type A Gas commercial Appliance backed up by years of experience and knowledge by the qualified trainers.

Attendees will gain valuable knowledge with the correct safe working procedures for type "A" Commercial/ Domestic Gas Appliance, Gas and Electrical, servicing, safety, commissioning, repairs, program service and maintenance from the basics to correct servicing techniques to more complex equipment and how to safety check and leak check equipment, plus many other benefits as listed.

The training is available for anyone who is involved with Commercial/ domestic gas/ or Gas/Electrical Appliances.

This is a pathway for better knowledge in the Commercial/Domestic Gas Industry, and will help you further in knowledge and career.

Successful participants will receive a Certificate of Attainment –and may make application with the State gas regulating authorities for a Gas Work license restricted to service.

This Certificate of Attainment is accepted by DEEDI Petroleum and Gas Inspectorate in Queensland, and when the applicant meets all the other department criteria's, the successful participant will receive a relevant qualification. The course is also recognized in the ACT and nationally.

Should you require further information please do not hesitate contacting:
Darrel Vecchio on 0411 884 901

We have taken the liberty of attaching the Registration Forms and Course Details to the invitation.

Note: Please reply to this invitation by the **15th July 2010** and advise your attendance or not.

We look forward in seeing you at the training in July 2010.

Regards,

Darrel Vecchio
